2007-08-10	Work on the Independent Long Island website is started — ILI flag, clock, etc.
2007-08-20	The Independent Long Island (ILI) movement is founded by Tallini with the writing of a press release. The news was first published in <i>Cyberterra News</i> and <i>The DBWF Provisional Post</i> on 21 August 2007, and later published in <i>Indymedia</i> (in English and Italian), <i>Long Island FREE Press</i> , <i>OpenPR.com</i> , <i>PR.com</i> and in others.
2007-08-21	The ilination.org, ilination.biz, and ilination.info domains are purchased.
2007-09-06	<i>LI Biz Blog</i> , the <i>Long Island Business News</i> blog, publishes “Independent Long Island ... whatever that means”
2007-09-22	<i>The New York Times</i> publishes the “What Has the Hamptons, 4 Airports and a Hankering for Independence?” article about ILI.
2007-09-22	Sophia Hall interviews Tallini over the phone, and the news of the birth of the new country of ILI is mentioned briefly on WCBS Newsradio 880, flagship radio station of the CBS Radio Network.
2007-10-07	After re-baptizing the country of Myanmar with the name of Burma, and registering the Burma Internet Liberation Organisation (BILO) and the Burmese Network Information Centre (BNIC) organizations, Tallini creates a new .BU TLD, and declares war on Myanmar by “invading” its Internet!
2007-10-08	The <i>openPR.com</i> press release of the Burma story is published, and the news becomes a feature of Google News.
2007-11-06	The .ILI TLD, along with other alternative TLDs in the Cesidian Root, is granted an extraordinary level of legitimacy by Dr. Joe Baptista, Representative of the PublicRoot Consortium.
2007-12-21	After a majority voted in favor of full secession from the United States, Independent Long Island (ILI) starts contemplating on whether to join the Commonwealth of Nations.
2007-12-31	The <i>Imperial News Service</i> reports that negotiations between the governments of Independent Long Island and the Imperium of DeWaCo Estates have reached their conclusion. The Imperium of DeWaCo Estates officially assigns a non-staffed Official Office Embassy for the Independent Long Island government within the Diplomatic District of Imperial City, Capital of the Imperial Commonwealth of the Imperium of DeWaCo Estates.

2008-01-19	The Independent Long Island (ILI) movement expands and improves its possibilities by “moving offshore”, and Governor of ILI founds the United Micronations Multi-Oceanic Archipelago (UMMOA). Independent Long Island also becomes a Founding Member of UMMOA, the international organisation. The www.ummoa and www.amomu domains came alive in the Cesidian Root thanks to the heartfelt conviction of the Germans Peter and Karin Dambier.
2008-02-07	In the early hours of the morning, with the first New Moon in February, as well as the beginning of the Chinese New Year of the Rat, the Commonwealth Nations Research Society (CNRS) is born, and the Governor of Independent Long Island becomes a Founding Member of the CNRS International Committee.

2008-05-06	Independent Long Island's Overseas Territory, the United Micronations Multi-Oceanic Archipelago (UMMOA), legally invades the .UM country code top-level domain (ccTLD) of the <i>United States Minor Outlying Islands</i> , and legally annexes the 11 insular United States possessions. The legal rationale goes something like this: if the U.S. can occupy the Internet based on territorial claims, then the reverse should also be kosher from a legal standpoint. It is the first time in history that an alternative DNS root like the Cesidian Root successfully takes away a TLD like the .UM from the Internet Corporation for Assigned Names and Numbers (ICANN). Other free alternative DNS root server systems have faced the very opposite scenario.
